PUBLICITY

An update was presented on media activities and publicity achieved

Facebook, Twitter and Instagram activities commenced but needs increased activity level

PROGRESS BY WORKING GROUPS

A successful four weeks since last meeting, but lots more to do getting things moving at the pace we need.

Over 80 people already requested involvement in the Working Groups on

Land and Biodiversity

Buildings

Energy

Consumption and resources

Transport is yet to have its first meeting

Comms team had a good start but now needs someone to lead it on a regular day to day basis.

Community Engagement team is getting started, with its first priority getting out a call for evidence and making connections with community groups, businesses and other organisations across Shropshire.

Shropshire Climate Action Partnership

ENGAGEMENT WITH OTHER PARTIES

Discussion was held regarding the need to encourage additional new parties to join the partnership, and to liaise closely with other groups across Shropshire.

All were encouraged to attend the South Shropshire Climate Action Group conference being held on Saturday 26th September

Date of next Steering Group meeting 14 October 2020 3.30pm to 5pm.
