## **Energy Efficient Homes – Help for those on a low income**

**The ECO (Electricity Company Obligation)** scheme is for people receiving benefits or who live in homes with poor energy efficiency. It's paid for by the energy companies and provides energy saving measures for your home. For more details go to <https://www.ofgem.gov.uk/environmental-programmes/eco/support-improving-your-home>

The **Warm Homes Shropshire** scheme is run by Shropshire County Council – its purpose is to install central heating systems for households who do not have this - to see if you qualify go to <https://shropshire.gov.uk/private-sector-housing/warmer-homes-shropshire/about-the-scheme/>

**National Energy Action for Warm Homes** - is a national charity concerned with fuel poverty – they can offer personal advice on how to make your home more energy efficient and how to cope if you are struggling with your fuel bills (including how to access Warm Homes Discount money). Contact on 0800 3047159 or <https://www.nea.org.uk/member-of-the-public/>

### **Warm Homes Discount**

If you are on low income this can provide up to £140 off your energy bills <https://www.gov.uk/the-warm-home-discount-scheme>
